Welcome to all and thanks for being a part of our annual Golf Outing. All money raised this year will go towards financial aid for deserving students. As the cost of education continues to soar, both in private and public schools, more and more people who desire a quality Catholic education for their children find it increasingly difficult to afford tuition payments. We want to be able to help any who need financial aid and prove that need. Your generous support of this Golf Outing will make it possible for more students and families to join the Coleman family. Thank you.

Also, special thank you to Bryan Smith and his committee for organizing another successful golf tournament. We couldn't do this without them. Jim Lyons, Principal

Registration Form
